

Conflict Minerals Declaration

Subject: Conflict Mineral Declaration for Dodd-Frank Wall Street Reform and Consumer Protection Act, Section 1502

The Dodd-Frank Wall Street Reform and Consumer Protection Act was signed into U.S. federal law on July 21, 2010. Section 1502 of the Act defines the reporting obligations for companies that are publicly traded in the US and are governed by the Securities & Exchange Commission (SEC). Section 1502 requires companies that make products for which 3TG minerals (tantalum, tin, tungsten and gold) are necessary to the functionality or production of that product to assess their supply chains and publically report on the source of these minerals if they are sourced from the Democratic Republic of Congo (DRC) or adjoining country or if they are from recycled or scrap sources.

Although Tef Cap Industries is not a publically traded company, and therefore not directly subject to this law, we are providing this declaration to our downstream customers to help them comply with any obligations relative to this law. Tef Cap Industries Conflict Minerals Program is implemented with guidance obtained from the Final Rules of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

This document declares that all of the products manufactured by Tef Cap Industries are free of any materials listed as Conflict Minerals or 3TG and are registered "DRC conflict free".

These Conflict Minerals are:

- Tantalum (Columbite-Tantalite)
- Tin (Cassiterite)
- Tungsten (Wolframite)
- Gold

A handwritten signature in black ink that reads "C Walls".
